*Explanation III.*—(1) Notwithstanding anything contained in *Explanation II*, the Central Government may, by notification in the Official Gazette, specify any dutiable goods, in relation to which it is required, under the provisions of the Standards of Weights and Measures Act, 1976 (60 of 1976) or the rules made thereunder or under any other law for the time being in force, to declare on the package thereof the retail sale price of such goods, to which the provisions of clause (2) shall apply.

(2) Where dutiable goods specified under clause (1) are chargeable to duty with reference to value, then, notwithstanding anything contained in *Explanation II*, such value shall be deemed to be the retail price declared on such goods less such amount of abatement, if any, from such retail price as the Central Government may allow by notification in the Official Gazette.

(3) The Central Government may, for the purpose of allowing any abatement under clause (2), take into account the duty of excise, sales tax and other taxes, if any, payable on such goods.

(4) Where on the package of any dutiable goods more than one retail sale price is declared, the maximum of such retail sale price shall be deemed to be the retail sale price for the purposes of clause (2).

(5) Where different retail sale prices are declared on different packages for the sale of any dutiable goods in packaged form in different areas, each such retail sale price shall be the retail sale price for the purposes of valuation of the dutiable goods intended to be sold in the area to which the retail sale price relates.

(6) For the purpose of this *Explanation*, "retail sale price" means the maximum price at which the excisable goods in packaged form may be sold to the ultimate consumer and includes all taxes local or otherwise, freight, transport charges, commission payable to dealers, and all charges towards advertisement, delivery, packing, forwarding and the like, as the case may be, and the price is the sole consideration for such sale.
