Backroom Team

Our R&D team is led by Mr R Sridhar who is ably assisted by an agile team of young lawyers and other professionals having Big 4 experience.

To make the advisory and advocacy more meaningful, we have also created a team of able and well-equipped researchers with proven credentials who could work on ticklish issues of our corporate clients. And the researched materials would be used as vital inputs to cushion the legitimate interests of our clients.

Tech-supported Communication Options

A service-seeker is free to choose different modes of communication to interact with the Experts under different buckets of key specialisation areas. It can be telephonic, through zoom or across the aisle. Our efforts are to hand-hold the needy, articulate the extant policies of the Governments, give perspectives including geopolitical and provide solutions to complex issues.
