STATEMENT OF OBJECTS AND REASONS

The National Commission for the Scheduled Castes and Scheduled Tribes came into being consequent upon passing of the Constitution (Sixty-fifth Amendment) Act, 1990. The said Commission was constituted on 12th March, 1992 replacing the Commission for the Scheduled Castes and Scheduled Tribes set up under the Resolution of 1987. Under article 338 of the Constitution, the National Commission for the Scheduled Castes and Scheduled Tribes was constituted with the objective of monitoring all the safeguards provided for the Scheduled Castes and the Scheduled Tribes under the Constitution or other laws.

2. *Vide* the Constitution (Eighty-ninth Amendment) Act, 2003, a separate National Commission for Scheduled Tribes was created by inserting a new article 338A in the Constitution. Consequently, under article 338 of the Constitution, the reference was restricted to the National Commission for the Scheduled Castes. Under clause (10) of article 338 of the Constitution, the National Commission for Scheduled Castes is presently empowered to look into the grievances and complaints of discrimination of Other Backward Classes also.

3. In the year 1992, the Supreme Court of India in the matter of Indra Sawhney and others Vs. Union of India and others (AIR 1993, SC 477) had directed the Government of India to constitute a permanent body for entertaining, examining and recommending requests for inclusion and complaints of over-inclusion and under-inclusion in the Central List of Other Backward Classes. Pursuant to the said Judgment, the National Commission for Backward Classes Act was enacted in April, 1993 and the National Commission for Backward Classes was constituted on 14th August, 1993 under the said Act. At present the functions of the National Commission for Backward Classes is limited to examining the requests for inclusion of any class of citizens as a backward class in the Lists and hear complaints of over-inclusion or under-inclusion of any backward class in such lists and tender such advice to the Central Government as it deems appropriate. Now, in order to safeguard the interests of the socially and educationally backward classes more effectively, it is proposed to create a National Commission for Backward Classes with constitutional status at par with the National Commission for Scheduled Castes and the National Commission for Scheduled Tribes.

4. The National Commission for the Scheduled Castes has recommended in its Report for 2014-15 that the handling of the grievances of the socially and educationally backward classes under clause (10) of article 338 should be given to the National Commission for Backward Classes.

5. In view of the above, it is proposed to amend the Constitution of India, *inter alia*, to provide the following, namely:—

(a) to insert a new article 338 so as to constitute the National Commission for Backward Classes which shall consist of a Chairperson, Vice-Chairperson and three other Members. The said Commission will hear the grievances of socially and educationally backward classes, a function which has been discharged so far by the National Commission for Scheduled Castes under clause (10) of article 338; and

(b) to insert a new article 342A so as to provide that the President may, by public notification, specify the socially and educationally backward classes which shall for the purposes of the Constitution be deemed to be socially and educationally backward classes.

6. The Bill seeks to achieve the above objectives.

FINANCIAL MEMORANDUM

Sub-clause (2) of clause 3 of the Bill, *inter alia*, provides that the National Commission for Backward Classes shall consist of a Chairperson, Vice-Chairperson and three other Members and the conditions of service of tenure of the offices of the Chairperson, Vice-Chairperson and Members so appointed shall be such as the President may, by rule determine.

2. The requirement of funds for the establishment cost of the aforesaid Members of the Commission as well as for the existing staff of the National Commission for Backward Classes, who shall stand transferred to the establishment of the National Commission for Backward Classes constituted under article 338B will be the same as is budgeted and allocated for the National Commission for Backward Classes. The budget for the National Commission for Backward Classes for, the year 2016-17 is Rs. 4.80 crore. There shall be no additional financial implication on account of creation of the National Commission for Backward Classes, since it will not only be taking on the existing staff strength of the National Commission for Backward Classes without any increment, but also utilise the same office premises that was being used by the National Commission for Backward Classes.
