INSTRUCTIONS

1. Indicate the 15-digit PAN based registration number and the name as appearing in the Registration Certificate.
2. In case more than one item is manufactured, additional row may be inserted in each table, wherever necessary. For giving information about the details of production and clearance, payment of duty and CENVAT credit availed and utilised month wise, the respective tables may be replicated.
3. If a specific product attracts more than one rate of duty, then all the rates should be mentioned separately.

For example: If a product is cleared at full rate of duty to the local market and at a concessional /nil rate of duty for earthquake relief, then the details for each category of clearance must be separately mentioned.

4. In case the goods are cleared for export under Bond, the details of clearance may be mentioned separately. Under the columns (8) and (9) of table at serial number 3, the words 'Export under Bond' may be mentioned.

5. If a specified product attracts different rates of duty, within the same month, then such details should be separately mentioned.

For example: On the 10th of a month, the effective rate of duty leviable for the product is changed, then the details relating to production, clearance and payment of duty need to be mentioned separately for the period up to 9th of the month and from 10th to the end of the month.
