erms of instructions issue nistries/Departments of Governments of

by Department of Personnel & Training (DoPT) on transfer/posting of Government employees, all rnment of India are required to have their own guidelines for transfer/posting of their employees providing for

- minimum tenure;
- have a mechanism akin to Civil Services Board for recommending transfer; and
- Respective Ministries/Departments are also required to place the transfer policy in public domain.

There is no proposal to formulate a single transfer policy for the Government employees, as guidelines for transfer/posting of employees depend on the specific requirement of individual Ministries/ Departments. Moreover, the State Public Services are under State List for which the State Governments are competent to make rules and policies. Accordingly, there is no proposal to constitute any Commission for single transfer policy for both Central & State Government employees.
